IV. New Business

All members should review the planning boards recommendations/changes to the Town code section 513 as we will discuss any concerns at Decembers meeting. Our year end meeting will include reviewing and setting future goals for the Conservation Advisory Board. We will meet at the town hall Thursday Dec. 01, 2011.

Conservation Easement Signs

The completed Conserved Forever signs looked great! We are very thankful for Lisa and all of her talent and time she has given this project. THANK YOU!

PACE property owners received an informational letter and/or phone call / visit, their feedback was that the Conserved Forever signs will be well accepted.

The cost per post is approximately \$35.00 ordering through the town, we will still need to purchase the metal and the decals. A final count is to be determined and all items will be ordered.
