Supervisor George Gertz

The fiscal year of 2010 ended on a positive note: we came in under budget and were again able to add to the Town's reserves. The Town has increased its reserve fund in each of the last three years by an average of \$100,000 per year, which means we are well placed to pay for future projects and Town improvements as they arise. I am also happy to announce that we will be remodeling the Town Hall to make it

more convenient for residents. The Assessor's Office and Building Department will be moved upstairs to increase their accessibility. We obtained a \$30,000 grant from the State's Unified Court System to assist with work. As usual, there will be a lot going on in Town this summer. Events include a summer concert series, the Civil War Encampment at the Town Park, and our Ag-Day in September. The

Marilla Car, Truck and Cycle Show will be held on Sunday, July 31st, with a swap meet and other events on Saturday, July 30th. The Marilla Firemen's Benevolent Carnival will be held at the Firemen's Grounds on Friday & Saturday, June 17th & 18th. I hope that you will enjoy the many opportunities for family fun and education at Town events this summer. Now that Spring is here, more residents are out walking on the roads. It is recommended that walkers wear some reflective clothing and carry a lighted device at dusk and after dark.

Town-wide Rubbish Collection

The Spring rubbish collection will start on **Monday May 2nd**, 2011. Please do not wait for your regular trash day as this is a separate collection. All items **MUST** be at roadside by 7:00 am on the 2nd as there will be no return trips. **Individuals bringing rubbish from outside the Town will be prosecuted. If you see anyone dumping trash, please call the Sheriff's Dept.**

Old window glass can be included in your regular sanitation pick-up.

ITEMS NOT ACCEPTABLE include any item containing

gasoline, garbage, construction and demolition materials, ex: plasterboard, concrete, bricks, wood, roofing materials, poisons, acids, caustics, explosives, ashes, brush, junk vehicles, animal waste, compost materials, tires, batteries and used motor oil.
