The Code Red Alert System is now up and running; all testing has been completed. If you did not receive a test telephone message from the Code Red system, you should go to www.townofmarilla.com and register on the Code Red link. That way, your phone number will be in the system and you will receive any automatic messages generated by the system in the event of an emergency situation in the Town. You can also stop in at the Town Hall for assistance in registering your phone number on the system.
